WHAT WAS DONE

Web App — Patient onboarding, AI nutrition plan generation, weekly feedback and admin back-office

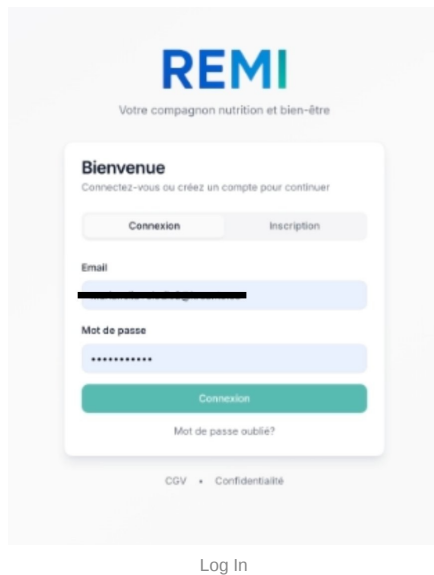

BUDGET

< \$40K

SCOPE

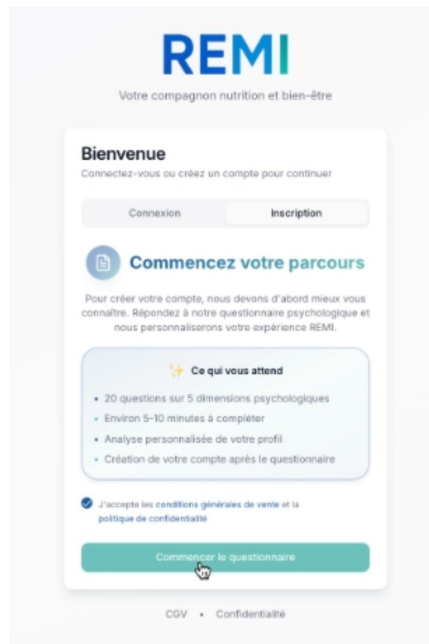

REMI AI is a web-based nutrition companion for patients of clinics providing dietary and supplement recommendations. After their consultation, patients upload their doctor's document, complete onboarding questionnaires, and log one week of eating habits. REMI's AI engine generates a personalized bi-weekly meal plan with full recipes, grocery lists,

APP SCREENS

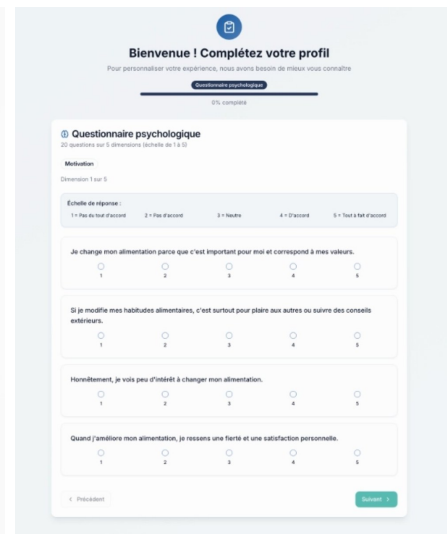

The screen displays the REMI logo and the tagline 'Votre compagnon nutrition et bien-être'. Below this, a 'Bienvenue' section prompts the user to 'Connectez-vous ou créez un compte pour continuer'. There are two buttons: 'Connexion' and 'Inscription'. The 'Connexion' button is active. Below the buttons, there are input fields for 'Email' and 'Mot de passe'. A 'Connexion' button is located below the password field. A link 'Mot de passe oublié?' is at the bottom. At the very bottom, there are links for 'CGV' and 'Confidentialité'.

Log In

The screen displays the REMI logo and the tagline 'Votre compagnon nutrition et bien-être'. Below this, a 'Bienvenue' section prompts the user to 'Connectez-vous ou créez un compte pour continuer'. There are two buttons: 'Connexion' and 'Inscription'. The 'Inscription' button is active. Below the buttons, there is a section 'Commencez votre parcours' with a document icon. It says 'Pour créer votre compte, nous devons d'abord mieux vous connaître. Répondez à notre questionnaire psychologique et nous personnalisons votre expérience REMI.' Below this, a box titled 'Ce qui vous attend' lists: '20 questions sur 5 dimensions psychologiques', 'Environ 5-10 minutes à compléter', 'Analyse personnalisée de votre profil', and 'Création de votre compte après le questionnaire'. At the bottom, there is a checkbox 'J'accepte les conditions générales de vente et la politique de confidentialité' and a 'Commencer le questionnaire' button. At the very bottom, there are links for 'CGV' and 'Confidentialité'.

Start Your Journey

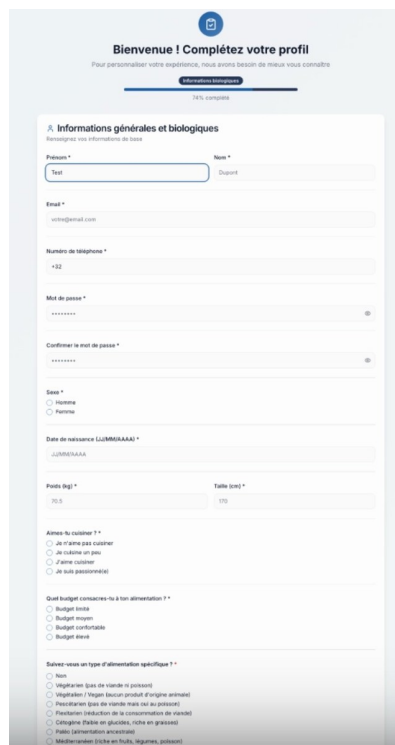

The screen displays the 'Questionnaire psychologique' section. It says '20 questions sur 5 dimensions psychologiques de 1 à 5'. Below this, there is a 'Méditation' section with a 'Commencez votre parcours' button. The main section is 'Questionnaire psychologique' with a '0% complété' progress bar. It contains several questions with a 5-point scale (1 = Pas du tout d'accord, 2 = Pas d'accord, 3 = Neutre, 4 = D'accord, 5 = Tout à fait d'accord). The questions are: 'Je change mon alimentation parce que c'est important pour moi et correspond à mes valeurs.', 'Si je modifie mes habitudes alimentaires, c'est surtout pour plaire aux autres ou suivre des conseils extérieurs.', 'Honnêtement, je vais peu d'intérêt à changer mon alimentation.', and 'Quand j'améliore mon alimentation, je ressens une fierté et une satisfaction personnelle.' At the bottom, there are 'Précédent' and 'Suivant' buttons.

Psychological Questionnaire

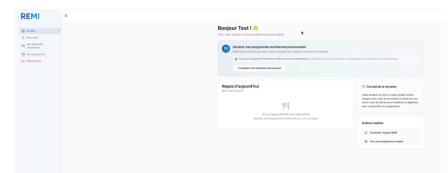

The screen displays the 'Votre Profil Psychologique' section. It says 'Découvrez votre profil et comment il influence votre relation avec l'alimentation'. Below this, there is a 'Résultat du questionnaire' section titled 'Le Structuré Volontaire' with a 'Basé sur vos réponses aux 20 questions' subtitle. The text describes the user's motivation and goals. At the bottom, there is a 'Sélecter vos trois informations' button.

Psychological Profile

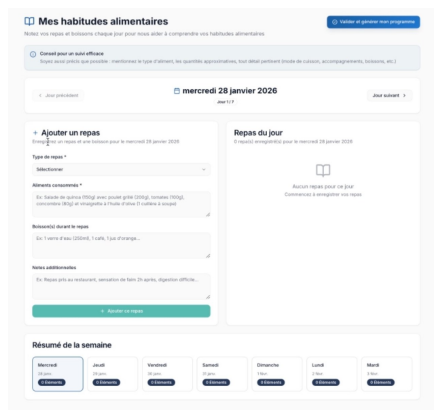

The screen displays the 'Bienvenue ! Complétez votre profil' section. It says 'Pour personnaliser votre expérience, nous avons besoin de mieux vous connaître'. Below this, there is a '0% complété' progress bar. The main section is 'Informations générales et biologiques' with a 'Sélectionnez vos informations de base' subtitle. It contains several form fields: 'Prénoms', 'Nom', 'Email', 'Numéro de téléphone', 'Mot de passe', 'Confirmer le mot de passe', 'Sexe', 'Date de naissance', 'Poids', 'Taille', 'Adresse de résidence', 'Qualité de vie', and 'Suivez-vous un type d'alimentation spécifique'. At the bottom, there are links for 'CGV' and 'Confidentialité'.

Complete Your Profile

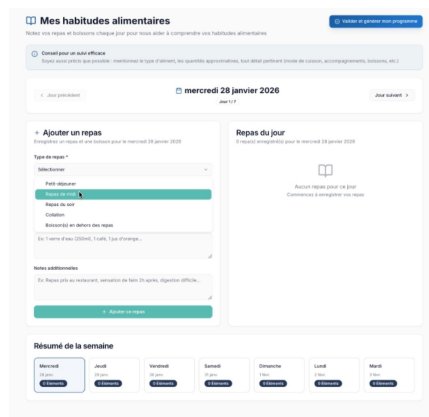

The screen displays the 'Dashboard' section. It shows a 'Bonjour Test!' greeting and a 'Statistiques' section with a '0% complété' progress bar. The main section is 'Rapport personnalisé' with a '0% complété' progress bar. It contains several charts and graphs. At the bottom, there are links for 'CGV' and 'Confidentialité'.

Weekly Feedback

KEY FEATURES

- AI-generated bi-weekly meal plans based on genotype, allergies, psychological profile, cooking level and budget

- Doctor document upload and AI extraction — supplements, dosages and genotype data parsed from clinic PDFs (95-98% accuracy with admin validation)

- 7-day nutrition habits tracker to capture baseline eating patterns before plan generation

- 20-item psychological questionnaire assigning one of 7 motivational profiles to personalize recommendations

- Guardian Agent — automated safety and accuracy validation layer that checks every plan before delivery

- Neo4j knowledge graph memory — stores patient constraints, preferences and Dr. Mouton's nutritional knowledge base

- Meal skip and substitution with weekly feedback loop — plan auto-adjusts based on user satisfaction ratings

- GDPR-compliant data handling — pseudonymized, EU-hosted, French language only (Beta: private access by invitation)
